SPEAKERS

Dan Clifton

Head of Policy Research
Strategas

Daniel Clifton is a Partner and Head of Policy Research for Strategas Securities. In this capacity, Mr. Clifton evaluates the financial market implications of policy and political developments. This includes analyzing tax, trade, infrastructure, healthcare, energy, defense and other policy initiatives to determine how public policy changes impact the economy and financial markets for institutional investors.

Daniel leads Strategas' Washington policy research team, which is the #1 ranked Washington policy team on Wall Street, according to *Institutional Investor (II)*. Dan and his team have been ranked as one of the top Washington policy teams in each of the past 16 years. Mr. Clifton is also a top ranked analyst in the category of Accounting and Tax Policy according to the same *II* report.

Mr. Clifton's research on the interaction between policy, elections, and financial markets is widely cited in the media and Daniel is a frequent guest on CNBC, Bloomberg, and Fox Business.

Prior to joining Strategas, Mr. Clifton was Executive Director of the American Shareholders Association (ASA), a non-partisan, non-profit organization which analyzes public policy affecting shareholders. Daniel also worked on tax policy issues prior to the ASA and has been involved in every major tax policy change over the past twenty years. Prior to moving to Washington, Mr. Clifton served as a senior staff member in two gubernatorial administrations working on economic and fiscal policy issues.

Mr. Clifton received both his BA in Urban Planning and his MS in Public Policy from Rutgers University where he was a Fellow at the Eagleton Institute of Politics and a Harold Martin Fellow for Public Policy.

Alex Crawford

Founder and CEO
Artificial Intelligence Risk, Inc

Alec Crawford is the Founder and CEO of Artificial Intelligence Risk, Inc. AI Risk, Inc. is a leader in AI safety, security, and compliance. The company created the first AI governance, risk, compliance, and cybersecurity management software platform (AI GRCC), a new category of software. Their customers range from small businesses to large financial institutions. Previously, Crawford was a Partner and Chief Investment Risk Officer at Lord, Abbett & Co. LLC. He was responsible for identifying and managing risk in all the firm's portfolios and served as a member of the investment leadership team, the strategic allocation committee, and was a charter member of the ESG committee. He also led the advanced technology initiative for Investments.

Alec earned a B.S. in Computer Science from Harvard UniversityAlec
